

Smart Community

We help senior living communities transform the economics and experience of aging.

With Serenity's Smart Community platform, your residents have in-room, voice-activated access to:

- Announcements
- Menus
- Activities
- Daily Check-Ins
- Call for Help
- Medication Reminders
- Video Call with Family
- Much, much more!

What can Echo do in *your* community?

"We added 7 new move-ins in 7 weeks after launching Serenity's Smart Community - all tied to the expectation of modern living it provides."

Kirk Swauger, The Abbewood, a Century Park Community
